EVERYBODY IS WELCOME!

Dear God
Holy Father,

Shine your light into my heart
And fill me with your peace.
Open my mind to your wisdom
And help me to understand your will.
Give me the strength I need
On my path through each day.
Help me to be calm
When my mind is troubled
And help me to trust
That you are with me at all times.
Thank you Lord

For your love and your peace
Which are my strength and my comfort.

Amen
